

Paint Protection Film Limited Warranty

GrandPride Luxury Travel Sdn Bhd (1297143-K)

WARRANTY INFORMATION

This Certificate of Warranty is the only valid proof of a GrandLab paint protection film (PPF) installation. It records the vehicle, the film applied, the area(s) covered, the installation date and the warranty period. Please verify that all details shown on your certificate are correct within seven (7) days of collection.

CONSUMER RIGHTS REMINDER

Please ensure that your paint protection film is installed by GrandLab or an outlet officially authorised by GrandPride Luxury Travel Sdn Bhd, and that your vehicle registration number, film type, covered area and installation date are correctly recorded on this certificate at the time of collection.

OFFICIAL STATEMENT

Any film installation not carried out by GrandLab or an officially authorised outlet, or for which no valid warranty certificate exists, is not eligible for warranty support, claims, or any other obligation on the part of GrandLab or GrandPride Luxury Travel Sdn Bhd.

WARRANTY COVERAGE

Subject to the terms of this document, GrandLab warrants the installed film against the following defects for the warranty period corresponding to the product installed:

1. Yellowing or discolouration of the film under normal use.
2. Cracking, blistering, or peeling arising from genuine product failure.
3. Loss of self-healing performance attributable to a manufacturing defect.
4. Adhesive failure or lifting not caused by external damage or third-party intervention.

This warranty applies only to the panels and areas covered at the time of installation, as recorded on this certificate.

Product	Warranty Period	Maintenance
ONE+ PPF TPU (Glossy)	1 Year	Hand-wash care
ONE+ PPF TPU (Matte)	1 Year	Hand-wash care

CURING PERIOD AND FIRST WASH

1. Do not wash the vehicle for seven (7) days after installation, to allow the adhesive to bond fully.
2. Avoid exposure to heavy rain or pressure washing for the first forty-eight (48) hours where possible.
3. Minor haze, water pockets, or slight lifting at the edges may be visible immediately after installation and will normally settle within two (2) weeks. If the condition persists or worsens, return the vehicle for inspection.
4. Do not attempt to press, cut, or lift any edge of the film yourself.

EXCLUSIONS

This warranty does not cover:

1. Losses resulting from accident, road debris impact, stone chips, or other external force.
2. Damage caused by intentional scratching, sharp objects, or improper handling.
3. Panels repainted, refinished, or modified by any party after installation.
4. Damage caused by harsh chemicals, solvents, petrol, or abrasive cleaning methods.

5. Lifting or adhesive failure arising from pre-existing paint defects, repainted panels, or poor paint adhesion, including any condition disclosed to the owner prior to installation.
6. Film removed, re-installed, or repaired by any party other than GrandLab or an authorised outlet.
7. Normal wear and tear, or losses arising from natural disaster, fire, or vandalism.

CORRECT CARE OF YOUR FILM

1. Hand wash using a pH-neutral automotive shampoo; avoid automatic brush car washes.
2. When pressure washing, keep the nozzle at least 30 cm from the surface and never aim directly at film edges.
3. Remove bird droppings, tree sap, and tar promptly using a dedicated, film-safe remover.
4. Do not apply abrasive polish, compound, or wax containing solvents over the film.
5. Dry with a clean microfibre towel.

MAKING A CLAIM

To make a claim under this warranty, return the vehicle to your installer outlet together with this Certificate of Warranty and the original invoice.

GrandLab will inspect the vehicle to determine whether the reported defect falls within the scope of this warranty. Where a claim is accepted, GrandLab's liability is limited, at its discretion, to repair or replacement of the affected film. An installation charge may apply. This warranty does not cover consequential loss, loss of use, or the value of the vehicle.
