

Wrapping Film Limited Warranty

GrandPride Luxury Travel Sdn Bhd (1297143-K)

WARRANTY INFORMATION

This Certificate of Warranty is the only valid proof of a GrandLab wrapping film installation. It records the vehicle, the film applied, the area(s) covered, the installation date and the warranty period. Please verify that all details shown on your certificate are correct within seven (7) days of collection.

CONSUMER RIGHTS REMINDER

Please ensure that your wrapping film is installed by GrandLab or an outlet officially authorised by GrandPride Luxury Travel Sdn Bhd, and that your vehicle registration number, film type, covered area and installation date are correctly recorded on this certificate at the time of collection.

OFFICIAL STATEMENT

Any film installation not carried out by GrandLab or an officially authorised outlet, or for which no valid warranty certificate exists, is not eligible for warranty support, claims, or any other obligation on the part of GrandLab or GrandPride Luxury Travel Sdn Bhd.

WARRANTY COVERAGE

Subject to the terms of this document, GrandLab warrants the installed wrapping film against the following defects for the warranty period corresponding to the product installed:

1. Excessive fading or discolouration under normal use.
2. Adhesive failure, lifting, or delamination arising from a product defect.
3. Cracking or bubbling caused by a manufacturing fault.
4. Loss of finish or texture attributable to a defect in the film itself.

This warranty applies only to the panels and areas wrapped at the time of installation, as recorded on this certificate.

Product	Warranty Period	Maintenance
NAKA Wrapping Film	2 Years	Hand-wash care
KTN Wrapping Film	2 Years	Hand-wash care

CURING PERIOD AND FIRST WASH

1. Do not wash the vehicle for three (3) days after installation.
2. Do not pressure wash for seven (7) days after installation, and thereafter never aim directly at edges or seams.
3. Avoid exposure to heavy rain for the first twenty-four (24) hours where possible.
4. Minor bubbles or slight edge lifting may be visible immediately after installation and will normally settle as the adhesive cures. If the condition persists, return the vehicle for inspection.

EXCLUSIONS

This warranty does not cover:

1. Losses resulting from accident, impact, or other external force.
2. Damage caused by sharp objects, intentional scratching, or improper handling.
3. Panels repainted, refinished, or modified by any party after installation.

4. Damage caused by petrol, solvents, harsh chemicals, or abrasive cleaning methods.
5. Lifting or adhesive failure arising from pre-existing paint defects, repainted panels, or poor paint adhesion, including any condition disclosed to the owner prior to installation.
6. Film removed, re-installed, or repaired by any party other than GrandLab or an authorised outlet.
7. Normal wear and tear, or losses arising from natural disaster, fire, or vandalism.

CORRECT CARE OF YOUR WRAP

1. Hand wash only, using a pH-neutral automotive shampoo; avoid automatic brush car washes.
2. Dry with a clean microfibre towel; do not allow the vehicle to air-dry in direct sun.
3. Remove bird droppings, tree sap, and fuel spills immediately, as they can stain the film permanently.
4. Avoid prolonged parking in direct sunlight where possible, particularly for matte and satin finishes.
5. Do not use wax or polish on matte or satin wraps.

MAKING A CLAIM

To make a claim under this warranty, return the vehicle to your installer outlet together with this Certificate of Warranty and the original invoice.

GrandLab will inspect the vehicle to determine whether the reported defect falls within the scope of this warranty. Where a claim is accepted, GrandLab's liability is limited, at its discretion, to repair or replacement of the affected film. An installation charge may apply. This warranty does not cover consequential loss, loss of use, or the value of the vehicle.

GrandLab • Detailing by GrandPride | GrandPride Luxury Travel Sdn Bhd (1297143-K)

This warranty is valid only with a matching Certificate of Warranty and original invoice. GrandLab reserves the right to amend these terms for future installations.
